

# THE BIGGEST NAME IN RECORDS PROTECTION JUST GOT BIGGER. LITERALLY.

### Introducing the FireKing® Storage Cabinet.

Because oversized documents, binders, end-tab filing, Banker's Box®, and other valuable items need fire protection too, there's our new fire-resistant Storage Cabinet, complete with a UL® Class 350 ½-Hour Fire Rating. Both the 72" four-shelf model and the 44" three-shelf model are equipped with a weight capacity of 160 lbs. per shelf, high-security Medeco® key locks that resist picking and drilling, plus scratch-resistant Parchment powder coat finishes for a lifetime of protection inside and out. Big protection for big documents.

That's big news.
